**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had ATT DSL before I switched to Sonic and it was slow and unreliable. ATT didn't offer any other options in my area until Sonic came with their Fiber option. I switched to Sonic Fiber which was faster and a lot more cheaper than ATT. I reduced my monthly billing fo INternter and Phone from \$150 per month to \$60 flat. Huge savings!

Broadband is critical at my home since I have a home office and work from my house. Going back to ATT DSL is not an option as it will impact my work and increase costs.

Thank you for your considerations.
